### Case Card – North 2

ZONE – NORTH

CITY – JALANDHAR

MUNICIPAL CORPORATION OF  
JALANDHAR

**Pollution and solid waste:**  
Management of solid waste is a major problem as there are very few numbers of solid waste management plants in the state. This is due to the fact that people have not agreed on the plant being set up in their vicinity.

### Case Card – North 2

ZONE – NORTH

CITY – JALANDHAR

MUNICIPAL CORPORATION OF  
JALANDHAR

**Migration of skilled youths due to lack of job opportunities -** Since Punjab is an agrarian economy and there are very few industries, the agriculture sector has not been able to absorb the increasing population and employment demand. Due to unemployment, most of the youth migrate to other countries.

### Case Card – North 2

ZONE – NORTH

CITY – JALANDHAR

MUNICIPAL CORPORATION OF
