

## **Annexure 1 – Role play Scripts**

(Note - These are 5 different scenes, Teacher can choose to do only three scenes if there are time related challenges – Voter ID, Passport and Driving license, but all scripts to be displayed on Desh Apnayen Wall)

### **Group 1: Issuing Birth Certificate [3 characters]**

**Narrator (Office Bearer):** Amit meeting with his two neighbours Prakash and Sheena

**Prakash:** Congratulations Amit! I heard that you had a daughter.

**Amit:** Yes,. Thank you!

**Prakash:** Have you done the necessary process for the birth certificate? her birth in Municipal Corporation office.

**Amit:** Not yet, what's the hurry? Sheena, have you done it for your child?

**Sheena:** Yes Amit, I did it within two weeks because as per the law, every birth must be registered within 21 days to get birth certificate.

**Prakash:** You can find out at the hospital; they will do the registration process, or you can register it at the nearest Municipal corporation office

**Sheena:** The birth certificate is the first official document needed for all other documents like the Aadhar card and school admission.

**Amit:** Thank you for making me alert. I'll find the process tomorrow itself and do the necessary steps to get her birth certificate.

### **Group 2: 3 characters – Voter ID**

**Narrator (Office Bearer):** Three Friends sitting at a playground and observing the scene around.

**Friend 1:** Why is there such a crowd of young people out there?

**Friend 2:** It's a camp for issuing Voter IDs. Elections are coming up. Everyone needs to have Voter ID for voting.

**Friend 3:** Why are people taking so many troubles to issue just a card (says in ignorant way).

**Friend 2:** It's not just a card, it is one of the most important documents that everyone on or above the age of 18 should have. As being citizens of largest democracy, we should apply for it to be able to exercise our duty & right to vote smoothly. Voter ID is also a proof of your identity and age as an Indian citizen.

**Friend 1:** Oh, I will be 18 this month. So, I will apply for it, but this long queue will be a tiring effort. (in tired manner).

**Friend 3:** Yes, but you must get it, so that you can do your duty of voting in upcoming state elections. You can also apply at the Municipal Corporation office or online through the Voter Service Portal.

### **Group 3: 2 characters - Passport**

Narrator (Office Bearer): Two Friends talk about applying for Passport.

**Friend 1:** Hello, how are you doing?

**Friend 2:** Hi dear I am fine and excited as . I got an opportunity to study in the US.

**Friend 1:** That's great! Did you visit the Passport Office to apply for passport?

Friend 2 : Yes, searching for options for applying for it.

**Friend 1:** Oh, let me help you more. You can also apply for it online. Last year I have submitted the application online and taken the prior appointment. Now I must go with relevant documents to Passport office, once verified and all steps of process are completed, they will issue my passport.

Friend 2 : Oh that's nice. I didn't know it. Thank you for this option, I will also do the same.

### **Group 4: 2 characters – Ration Card**

Narrator (Office Bearer): Villager in discussion with Sarpanch for what is required to get benefit of government schemes.

**Villager:** Sarpanch ji, I do not receive the benefit subsidized food grains while others like me receive it.

**Sarpanch ji:** You were eligible, but you lacked the necessary documents.

**Villager:** I have voter ID, Adhar card, what else do I need?

**Sarpanch ji:** You need to get Ration card from the government office to access subsidized food.

### **Group 5: 2 characters – Driving License**

Narrator (Office Bearer): Two friends discussing on roadside.

**Friend 1:** I am just waiting to turn 18 next month, then I too will be able to apply for learner's license to drive.

**Friend 2:** My elder sister recently got her learner's license.

**Friend 1:** Where did she apply for it?

**Friend 2:** She visited the RTO office, submitted the filled forms along with document proofs for age and residence. I also sawing her learning the traffic rules.

**Friend 1:** My father told me there is also an online provision to get learner's license. I will find out more about it too in meanwhile.

**Friend 2:** Yes, do that and we can go together to get our licenses once we both turn 18.
