

Annexure1: Short Role Play – Dialogues.

Narrator will invite all groups one by one and speak about the scene in brief.

Scene 1 – Monu and Tina are siblings. Monu is younger brother and Tina is elder sister.

Monu – Didi let's play a different game today, I don't want to play cricket.

Tina – I really love cricket, so let's only play cricket like we always do.

Monu with sad face go with Tina and start playing cricket.

Scene 2 Sheetal and Rita are siblings, and they got a chance to visit their grandparents where they have TV. They are fighting to watch their favorite show on the TV.

Sheetal - I like to watch cartoons on TV, let's watch that together on TV.

Rita- But I like to watch movies on TV.

Sheetal - So let us watch cartoon for half an hour and then we will watch a movie together.

Both are happy and decided to watch TV together.

Scene 3 Dinesh and Dolly are completing their homework in the evening. Once it is finished both asked -

Dinesh and Dolly –Our HW and all tasks are completed. Can we go out and play today?

Mom – No Dolly will only go to play, you need to help your father in his work now. No questions further.

Dolly happily go out and Dinesh with sad face went to his father to help him..

Scene 4 Ami and Yash lives with her family in a village. On Sunday her family was invited by their neighbours for lunch. But children are not willing to go as they want to spend their holiday by playing in the park with their friends. They discussed this with their mother and asked for solution.

Mother to father – Ami and Raju wants to play with friends in the park today and don't want to go to neighbours' home for lunch., What should we do ?

Father calls children and explains – You can go to park first for 1 hour and me and your mother will go to neighbours' house. After that you both can come and join us for lunch. In the Evening we all will again go to the park.
