

Annexure 1 –

These are other reference issues that the teacher can take instead of the local park issue in story.

These are some other issues that →

1. **No Streetlights on roads** – There are no streetlights on road, causes lot of inconvenience to people in the area like accidents of people driving vehicles, animals getting injured, etc.
2. **Shortage of water** – There is scarcity of water in the area which is causing problems to do even the basic tasks like cleaning, cooking, etc.
3. **Gutter overflow** – Dirty water is flowing down the road creating a messy and unhygienic situation.

Note: Teacher is also free to take any other local problems they see around them & weave a story on similar line around it.
